

SILENT & LIVE AUCTION

AUGUST 1, 2024 | Good Co. at PIONEER POINTE

This year's RPAC auction is right around the corner!

Please consider sponsoring golf or the auction.

Decisions made by elected officials impact the business of our members. That's why it is critical to elect candidates who understand the importance of owning, selling and investing in real property. This is what RPAC helps us do. RPAC selects candidates who share our philosophy and who will listen to the REALTOR® viewpoint. RPAC and the REALTOR® Party work hand-in-hand to fight public policies that hurt the real estate business and to support those that enhance it. RPAC is a wise investment in the future of each and every real estate professional. Invest in your future, donate today!
