

2026 RASCW Affiliate Voluntary & Nondeductible Dues

Please consider giving voluntary contributions with your dues:

- Both Local and State Affiliate members are asked to give a voluntary \$25 contribution to the RASCW REALTOR® Relief Foundation was created to more directly support our members and enhance the overall value of RASCW membership. Its work will focus on three core pillars: Helping Members, Helping the Community, Educating the Public. The RASCW REALTOR® Relief Foundation will not administer a down payment assistance program. Instead, it is designed to provide flexibility to address member needs, expand education and leadership opportunities, support meaningful community engagement, and elevate public understanding of REALTORS® and housing issues.
- State Affiliate members are also asked to give a \$20 voluntary contribution to the Wisconsin REALTORS® Foundation (WRF). Contributions to the WRF are tax deductible as a charitable contribution.
- State Affiliate members also have the opportunity to contribute to the REALTORS® Political Action Committee (RPAC). RPAC promotes the election of pro-REALTOR® candidates who understand and support REALTOR® interests. RPAC and other political fundraising are the key to protecting and promoting the real estate industry.
