REALTOR DUES INFORMATION:

* There are three voluntary contributions included in your dues:

- *The first is a \$25 voluntary contribution to the RASCW RRRF REALTOR® Relief Foundation- The RASCW REALTOR® Relief Foundation was created to more directly support our members and enhance the overall value of RASCW membership. Its work will focus on three core pillars: Helping Members, Helping the Community, Educating the Public. The RASCW REALTOR® Relief Foundation will not administer a down payment assistance program. Instead, it is designed to provide flexibility to address member needs, expand education and leadership opportunities, support meaningful community engagement, and elevate public understanding of REALTORS® and housing issues.
- * The second is a \$20 voluntary contribution to the Wisconsin REALTORS® Foundation (WRF). Contributions to the WRF are tax deductible as a charitable contribution. The Wisconsin REALTORS® Foundation is dedicated to unifying REALTORS® to help children in the areas of education, hunger, homelessness/abuse, and serious illnesses. In addition to its partnership with Feeding Wisconsin, the WRF provides financial support for relief efforts in response to natural disasters in Wisconsin by segregating a certain amount of funds raised through voluntary contributions on membership renewal dues forms to aid those impacted.
- * The third is a \$50 voluntary contribution to REALTORS® Political Action Committee (RPAC). RPAC promotes the election of pro-REALTOR® candidates who understand and support REALTOR® interests. RPAC and other political fundraising are the key to protecting and promoting the real estate industry.

Secondary Membership is available to REALTORS® who already have primary Membership in another REALTORS® Association and wish to join RASCW also. If you have already paid your 2026 State (WRA) and/or National (NAR) dues through another REALTORS® Association, you do not need to pay them again if joining here as a secondary member or if transferring here from another REALTORS® Association.

Non deductible Dues - Individuals who belong to a not-for-profit Association may not deduct for income tax purposes the portion of their 2026 Membership dues spent on federal, state, or local lobbying activities. Please click here for the non deductible amounts. The total non deductible amount does not include voluntary RPAC contributions. RPAC contributions are not deductible amounts.

- * Membership dues are not deductible as charitable contributions, but may be deductible as an ordinary and necessary business expense subject to restrictions imposed as a result of Association lobbying activities.
