

Retirement and Budgeting for Real Estate Professionals

Presented by the
RASCW Professional Development Committee

Wednesday, December 6, 2017

12:30 p.m. - Registration and light refreshments

1:00-3:00 p.m. - Program

WRA Education Center
4801 Forest Run Road, Madison

Every day you help your clients reach their dreams. It's time to think about YOU!
What are your retirement plans? How are you managing your money?

This program will help set you on your way to transition from working for your money to your money working for you. Don't miss it!

Presenters

[Ryan Vande Berg, CPA, The Bald CPA](#)

Ryan Vande Berg, also known as the Bald CPA, has over 20 years accounting experience in different industries including real estate. He was a staff accountant for a local real estate company for 10+ years. He has extensive knowledge to help you manage your business income and expenses including taxes.

[Austin Streeper, Financial Advisor, North Star Resource Group](#)

Austin Streeper concentrates on comprehensive financial guidance. He will show you how to utilize available resources to build, maintain, preserve and distribute your wealth. He will explain the different retirement plans available to you as an independent contractor.
