Read important notes below to see if you have already met this requirement:

A REALTOR® completing Ethics Training as a part of the New Member Orientation is NOT required to complete additional ethics training for this period. We will have record of you completing this requirement if you have attended the RASCW New Member Orientation since January 1, 2017.

If you have taken the 2017-2018 Continuing Education Course 4, Ethics and Best Practices, offered by the Wisconsin REALTORS® Association, we will have record of you completing this requirement. Continuing Education providers other than the WRA may or may not meet the NAR requirements for course objectives and minimum criteria. You will need to confirm with your provider that approval has been received. If you have met the Ethics Training requirement by taking the CE course through a provider other than the WRA, please notify Beth at the RASCW office at beth@wisre.com so it can be noted in your Membership record.
